Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Riverside Township Municipal Building & Community Center project in fiscal year 2024. The entity to receive funding for this project is Riverside Township, located at 1 West Scott Street Riverside, NJ 08075.

The funding would be used for the construction of a new Riverside Township Municipal Building and Community Center. This project is an appropriate use of taxpayer funds because the current Township Administrative Offices, Police Department, and Municipal Court do not have adequate space. This project would allow the offices and departments to function more effectively and efficiently, improving public safety while also meeting the needs of the community at-large. Additionally, the Community Center would provide a location for our youth groups, recreation groups, and seniors to gather.

The project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S.C. 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Andy Kim
Member of Congress
